Residents in the county near Washington
were puzzled about midnight Thursday during
the rain storm by the strong odor of brim-
stone which pervaded the atmosphere. Many
persons smelled it so strong that they got out
of bed and were alarmed over it.

**THE PECK-WILLIAMSON UNDERFEED
FURNACES AND BOILERS**

Were living in perfect comfort all over the house. The Underfeed coal burn-
ing way—fuel fed from below—all the fire on top—insures as much clean,
even heat from cheapest slack as highest priced coal which ordinary heating
plants require. This enables Underfeed users to

SAVE 1/2 TO 3/4 OF COAL BILLS

Mr. J. E. Crider, President of the Crider
Creamery Company, Fredonia, Ky.,
relates his Underfeed experience thus:
"We installed one of your No. 739 Underfeed
furnaces in our 12-room house about two years ago.
We have found the furnace very satisfactory in-
deed. The furnace is extremely economical, fires
easily and the heat is quite evenly distributed
throughout the various rooms. We use nut and
slack coal for fuel with perfect results and much
prefer the Underfeed to any heating device with
which we are familiar."

Send for our FREE book about UNDERFEED
Furnaces and Boilers and let us PROVE that it will
pay you to discard old fashioned heating methods and
install the satisfactory dividend-earning Underfeed.

NOW is the ready time for purchasing your

A motor launch grayhound, supposed to have been the "Nemo," owned by G. B. Martin of Marietta, Ohio, and entered in the regatta races at Cincinnati today, passed here yesterday afternoon, cutting the water at a twenty-five mile an hour clip. She was certainly a dandy and is bound to figure in today's doings over the Queen City water course.

SPEEDWAY AVENUE

It is intimated in certain quarters that a petition is likely to find its way to Council praying that the name of Maysville's most beautiful thoroughfare, Third street, be changed to that of Speedway avenue. As dare-devil automobilists and motorcyclists use it for that purpose, don't know but what it would be the proper thing to do.

Be sure your new home has that important modern convenience—electric light. There are many such and they are in great demand by those who know how to enjoy them. Watch the kidney secretions. See that they have the amber hue of health; The discharges not excessive or infrequent; Contain no "brick-dust like" sediment. Doan's Kidney Pills will do this for you. They watch the kidneys and cure them when they're sick.

L. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it may be the means of helping other sufferers from kidney trouble to find relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. When I heard of Doan's Kidney Pills, I procured a box at J. Jas. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

Some especially attractive models for Misses cannot fail to please the school girl looking for something out of the ordinary.

Umbrella Merit

You've heard people refer to their umbrella---how well it stood rain and storm. That's the kind of umbrellas we want and have---the kind that advertise our stock. Attractive handles won't make up for weak frames and poor coverings.

One dollar Umbrellas are as carefully chosen as our \$5---in fact the \$1 Umbrella is a "special" with us. Have you ever investigated all the umbrella merit we give for \$1?

REGENSTEIN TO HOLD ON UNTIL NEXT YEAR

In an opinion given to Superintendent of Public Instruction Ellsworth Regenstein by Attorney-General Breathitt, the Attorney-General holds that Superintendent Regenstein was appointed by Governor Willson to fill the vacancy caused by the resignation of Prof. Crabbe, and that Superintendent Regenstein will hold such office until the next regular election in 1911. Attorney-General Breathitt says that the office of Superintendent of Public Instruction is a State office and that an election cannot be held to fill a supposed vacancy in that office at the coming November election in 1910.
